

25th International Colloquium Tribology 2026

Bridging Science and Industry – Driving a Sustainable Future with Tribology

Date: 27th - 29th January 2026

50019.00.009

**Exhibition options and price list -
Register now and secure your favorite place!**

First come. First serve.

Join this well-established event as exhibitor!

The accompanying trade exhibition offers you the ideal opportunity to present your services and products to a high-caliber audience of decision-makers, specialists and executives, make new contacts and establish yourself as an expert among the target group in attendance on an area of over 300 m².

Please book your exhibition stand early, as the number of spaces is limited.

Event location:

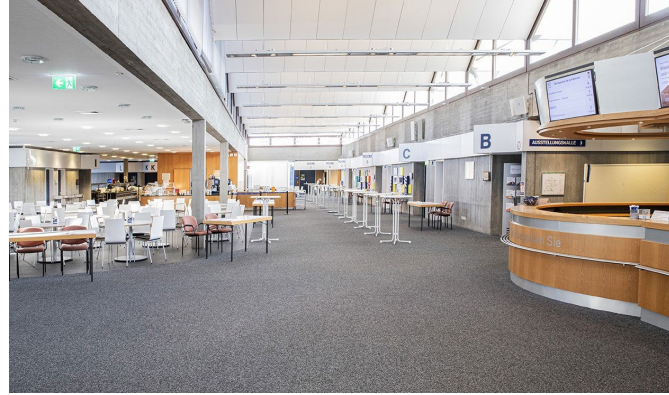

Technische Akademie Esslingen e.V.
An der Akademie 5
73760 Ostfildern/Stuttgart
Germany

We are happy to advise you!

**book
now and
get your
booth!**

*The stand booking does NOT include personal registration.
Please register all persons present as participants.

Terms & conditions of the 25th ICT 2026 Exhibition

Registration deadline for exhibitors is December 31, 2025. The number of booths is limited, and we highly recommend to register as soon as possible.

Assignment of Booth Space:

The positioning of the booth depends on the general availability, the requested size of the booth, special needs and the exposed goods/services. As a matter of course we try our best to meet your needs concerning the position of the booth. However, TAE reserves the right to assign space other than requested, if necessary, and the right to relocate any exhibitor and to rearrange the Floor plan. The final Floor plan will be done in January 2026. Then you may receive your binding final booth number.

Payment:

After your registration, we will send you the invoice, which is due for payment without deduction within 30 days of receipt.

Withdrawal/Cancellation:

The exhibitor may withdraw from the contract at any time by means of a declaration in text form. If the withdrawal is declared no later than 14 days before the start of the event, the full participation fee will be refunded. In the event of a later declaration, the full participation fee will be charged. The date of receipt of the declaration of withdrawal by TAE is decisive.

Force Majeure:

If TAE is unable to operate the Event, as a result of force majeure or circumstances beyond its control, TAE may postpone it.

Already paid booth fees will be reimbursed. TAE is not liable for damages and disadvantages to exhibitors arising from the cancellation of the event. If TAE has to postpone or to curtail the running event as a result of force majeure or other circumstances beyond its control, the participant/exhibitor can not claim a refund.
